

A wide-angle photograph of a large event hall. The stage is illuminated with bright blue light, and a large white backdrop is visible. Rows of white chairs are arranged on the stage. The ceiling features a complex grid of white beams and circular lights. The overall atmosphere is modern and professional.

MINI COUNTRYMAN

Winner at The Special World Event Awards in Florida 2013

'Best Event - Budget under \$100,000'.

I am writing to say thank you for producing a superb MINI Countryman Launch for us last week. As you know, the media can be a very hard audience to impress! I have never received so many comments back on a press launch. Your recommendation of the Point Village Car Park venue was inspired and totally fitted the brand image of MINI. Even though we were all aware of the decor plan, we just couldn't believe the finished product would be so exquisite and of such a high quality.

Nicola Bissett, Marketing Manager, MINI

BMW Seven Series Launch

Winner at The Special World Event Awards in Los Angeles 2017

'Best Event - Budget under \$250,000'

Just a very quick note to say thank you to you and your team, for delivering our highly successful 7 Series events last week – it was quite simply an amazing launch. When you brought us the potential venue, all those months ago, we questioned if it could be done! But you convinced us and EuroEvents made No 7 the perfect launch pad for the new 7 Series. As we have come to expect, EuroEvents delivered an event which surpassed the objectives set down. I have every confidence that the Event Photo Book will provide a reference point, and lead the way, for our international colleagues!

Laura Doherty
Corporate Comms & Events Manager, BMW

Aer Lingus 75th Anniversary

Winner at The Irish EIA Event Industry Awards 2012 'Best Corporate Event'.

I would like to personally thank EuroEvents most sincerely for all of your hard work and assistance in the preparations for our 75th anniversary celebrations. The professionalism, good taste and attention to detail demonstrated by your team was extraordinary. I know the celebrations were almost a year in the planning, however the thoughtful letters of thanks received from our guests this week are testament to the efforts of your team and something we in Aer Lingus are immensely proud of and thankful for.

Christoph Mueller - CEO Aer Lingus
