

A wide-angle photograph of a large event hall. The stage is illuminated with bright blue light. A large white backdrop is positioned behind the stage. Rows of white chairs are arranged in front of the stage. The ceiling is high and features a complex structure of white beams and circular perforations. Several spotlights are mounted on the ceiling, casting light onto the stage and the audience area. The overall atmosphere is professional and modern.

RISKS IN A CHANGING WORLD – PART 2

As a follow on to Part 1 of the Risks in a Changing World, we are delighted to be able to invite you to join some of AIB's Board and ExCo members as we discuss the AIB response to the significant health, economic and societal risks that have presented over the last number of months.

The event will be hosted by the Head of Enterprise Risk Management and Risk SMT member John Kelly who will welcome AIB Non Executive Board member Carolan Lennon along with Colin Hunt, Deirdre Hannigan and their ExCo colleagues Cathy Bryce, Robert Mulhall, Jim O'Keeffe and Donal Galvin.

Our panellists will provide us with their views on how AIB continues to respond to the unprecedented challenges of COVID-19, Brexit and some of the biggest issues facing the economy right now and the importance of maintaining a strong risk culture.

Showcasing the magic and momentum of social enterprise in Ireland

Join us for our virtual Social Enterprise Development Fund Showcase 2021, where we will celebrate the impact achieved by our 2020 Awardees. Hosted by the energetic Alan Shortt, the showcase promises to be a vibrant and entertaining event that you don't want to miss.

The Social Enterprise Development Fund is a €1.2 million fund, created by Rethink Ireland in partnership with Local Authorities Ireland and funded by IPB Insurance and the Department of Rural and Community Development via the Domestic Accounts Fund.

In 2020, 16 outstanding social enterprises received cash grants and business supports from the fund, while a further 24 enterprises received strategic support through our Genesis programme.
